

25th September, 2013

Javra Software Nepal Pvt. Ltd.

Dear Sir/Madam

I have seen your advertisement in "JobsNepal.com,25th September" for "Software Test Engineer". I have recently completed (Final Exams and waiting for results) Bachelor of engineering (Computer) and am interested in doing job in your company. The reason of my interest in your company is not only because of the fame of your company , I also think that I can learn so much from your company.

I have already completed some projects on my student life on BE (using php, c#, c++ , java). Additionally, I am good at learning and executing new programming languages so I would be a good addition to your company too. Thus, I am eager to work for your company and be competent developer of the world.

With this letter, I have attached my resume that will provide additional details about my training, education and experiences. I look forward to speaking with you further regarding my qualifications. I can be reached at rbnacharya@gmail.com. Thank you for your consideration in this exciting opportunity.

Sincerely,

Rabin Acharya
